

Large Format Print Manager

Wild Blue is an innovative strategic design company. We design products, communications, innovation centers and experiences for clients of all shapes and sizes. Our focus is on retail, where we work in an upstream capacity on behalf of Fortune 500 CPG clientele. The solutions we develop merge strategic, technological and aesthetic expertise with clear-cut business visions and objectives. We seek a strong leader with experience in the print industry. In addition to managing print schedules and workflow protocols and procedures, we seek a self-starter with high level experience in large format print production. You will also work directly with sales and estimating in this role.

Job Responsibilities

- Supervise the imaging team.
- Oversee and manage the print work from beginning to end.
- Pre-flight, print and operate large format flatbed and roll to roll printers.
- Schedule and multi-task multiple projects to ensure all work is on time.
- Ensure work is performed to company standards.
- Responsible for material ordering and inventory.
- Provide sales team with estimating, performed in custom project software.
- Manage and enter jobs within software.
- Adapt to a fast-paced work environment.
- Bring a positive, collaborative and future thinking mindset.

Qualifications:

- 5+ years in print industry.
- Expertise in Adobe platform.
- Knowledge of Caldera a plus.
- Experience managing a team.
- Experience operating a laminator preferred but not required.
- Talented, detail-oriented, and motivated individual who genuinely cares about what they do.
- A good sense of humor, a resourceful mindset, and the ability to multitask are essential.

Next Steps to Apply

Submit the following to Wild Blue's Human Resource Director, Carrie Mueller: Carriem@wildbluetech.com

1. Cover Letter introducing yourself, explain why this position is a fit for you and any expectations you seek.
2. Resume or CV.
